Eau Claire Parks and Recreation is Springing Forward

As we turn our clocks ahead one hour this weekend for Daylight Savings Time, Eau Claire Parks, Recreation, and Forestry Division is springing forward too. While outdoor warming shelters have been closed, light timers turned off, and maintenance of the outdoor ice-skating rinks has ended for the season, spring and summer fun is just beginning!

Spring Class registration for youth is now open for sailing instruction, lifeguard training, 3-4-year-old soccer and swimming lessons. Adult athletic league registration is also available for softball, soccer, cornhole, and ultimate frisbee. View the Prime Times Activity Guide for program details and registration information at EauClaireWI.gov/PrimeTimes

The Amazing Eau Claire Clean-Up is scheduled for April 23, 2022. This City-wide initiative gives volunteers the opportunity to help beautify area parks, playgrounds, trails and business districts. Volunteer on your own, with your family, or with a work group. Deadline to register is April 15. Visit EauClaireWI.gov/Volunteer

Job Openings! We're now hiring for positions at Fairfax Pool and various Recreation instruction roles. Pay ranges from \$10-\$24 per hour, hours per week vary by position. See a complete list of available positions by visiting: EauClaireWI.gov/Jobs
